

THE CROWN

WHO ARE WE?

- We represent the young adults in the church, consisting of people aged 18-24.
- A large number of us are from Brunel university.
- We are from various backgrounds and cultures.
- We are the next generation of adults in this church and society.

WHY THE CROWN?

This group was made to:

- Give people aged 18-24, chance to have a setting where they can relate to and expand their faith with individuals who are at similar stages of life and are going through the same things.
- Comfortably have and difficult and important conversations.
- Find counsel
- Create a different, more appealing and up-to-date avenue for young adults trying to build their relationship with God.

WHAT IS OUR BURDEN?

- Everyday we see too many people especially at this age go astray on their path to finding God
- There is a terrible stigma against churches when it comes to our age, especially youth groups and we want to change that
